Technical Specifications :

Accuracy	± % 5
Operating Temperature	(-) 40 °C / (+) 85 °C
Material of Connection	Polyamide
Connection	1 1/2 " BSP Male (Std)
Scale	PVC
Stem Length	Max. 750 mm
Material of Float	Polyurethane
Material of Display Cover	Polycarbonate Crystal
Material of Guide Road	304 Stainless Steel
Material of Shaft	Polyamide
Material of Ring	NBR

EYG TANK LEVEL GAUGE

EYG 11 , EYG 12

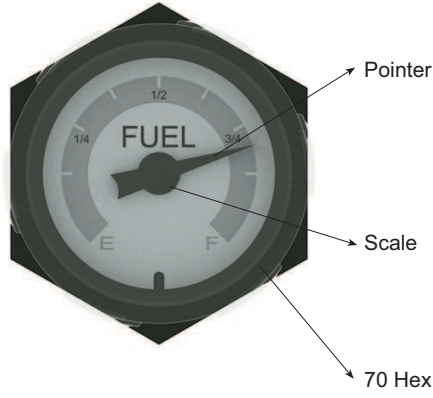

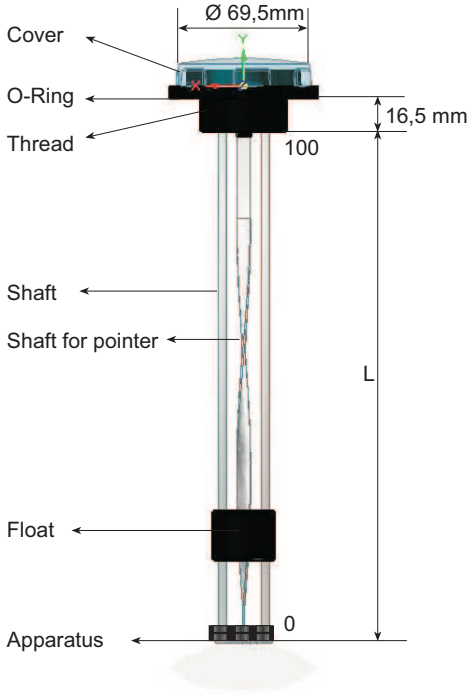

Advantages :

- * Economical
- * Pratical and easy mounting
- * Quick delivery time
- * Complete Stainless Steel
